## In Case of Emergency

There is a pathologist on call at all times. If you have an emergency and need to reach the on-call pathologist, simply call **781.290.0057**.

## Directions

**From the North – Interstate 95 South:** Take I-95 South to Exit 30 B. Once off the exit merge onto Route 2A/Marrett Road. At the second set of lights, take a left (you will see the Minuteman Technical High School sign). Take your next left up the hill at the Cranberry Hill sign. Follow the hill to the top and go around the parking lot and park in a visitor spot. When you walk into the building you are on the second floor, the laboratory is on the first floor and the offices are on the third floor.

**From the South – Interstate 95 North:** Take I-95 North to Exit 30. Continue toward MA-2A and take Exit 30B (this is a combined exit, please make sure you take Exit 30 and then Exit 30B). Once off the exit merge onto Route 2A/Marrett Road. At the second set of lights take a left (you will see the Minuteman Technical High School sign). Take your next left up the hill at the Cranberry Hill sign. Follow the hill to the top and go around the parking lot and park in a visitor spot. When you walk into the building you are on the second floor, the laboratory is on the first floor and the offices are on the third floor.

**From the West – MA Pike (1-90 East – Partial Toll Road):** Take the Massachusetts Turnpike (I-90 East) and continue to Exit 14 (I-95). Keep left at the fork and continue on I-95N. Continue on I-95N to Exit 30. Continue toward MA-2A and take Exit 30B (this is a combined exit, please make sure you take Exit 30 and then Exit 30B). Once off the exit merge onto Route 2A/Marrett Road. At the second set of lights take a left (you will see the Minuteman Technical High School sign). Take your next left up the hill at the Cranberry Hill sign. Follow the hill to the top and go around the parking lot and park in a visitor spot. When you walk into the building you are on the second floor, the laboratory is on the first floor and the offices are on the third floor.

## **Directions**

**From the North – Interstate 93 South:** Take I-93 South to Exit 30 (MA38 towards Somerville). Once off the exit turn left at MA38/Mystic Ave. Follow Mystic Ave for .7 miles. You will make a slight right at MA28/Monsignor McGrath Highway. Follow McGrath Highway for 2 miles. After the 2 miles you will turn onto Cambridge Street and take a left onto First Street. The office is at 25 First Street which will be on your right. Strata Pathology Services is located on the Fourth floor. Please check in with the guard before you head upstairs.

**From the South – Interstate 93 North:** Take I-93 North to Exit 26 (I-93/US-1/MA 3) follow this for .6 miles. Merge onto Charles River Dam Rd/ MA-3. The Charles River Dam Rd will merge onto the Monsignor O'Brien Highway/MA-28. After .2 miles you will need to make a slight left to continue on MA-28. Follow for .1 miles. Turn left onto Cambridge Street and take your first left onto First St. The office is at 25 First Street which will be on your right. Strata Pathology Services is located on the Fourth floor. Please check in with the guard before you head upstairs.

**From Route 1 South:** Take Route 1 South. Follow signs for Boston/Tobin Bridge (toll). After the Tobin Bridge toll, stay to your right and take the exit for I-93/Somerville. Continue down exit and stay to your left. At lights take a left but bear to your right. Do not go under the underpass. At the next set of lights take a left at Austin Street and go over the bridge. At the end of the bridge you will take a right at the lights onto MA-28/ Monsignor O'Brien Highway. Stay in the left lane. At the lights you will merge left on Cambridge Street. Take your first left onto First Street. The office is at 25 First Street which will be on your right. Strata Pathology Services is located on the Fourth floor. Please check in with the guard before you head upstairs.

**From the West – MA Pike (1-90 East):** Take the Massachusetts Turnpike (I-90 East) and continue to Exit 18 towards Cambridge, which will be on your left. Merge onto Cambridge Street and follow the signs towards Cambridge. Cambridge Street will become River Street/ River Street Bridge. Follow for .1 miles. Turn right onto Memorial Drive and follow for 2.5 miles. Memorial Drive becomes Edwin H. Land Boulevard after the 2.5 miles. Turn left onto Binney Street and your first right onto First Street. The office is at 25 First Street which will be on your right. Strata Pathology Services is located on the Fourth floor. Please check in with the guard before you head upstairs.
